Terms and Conditions

Self-help groups (SHGs) creation with Basanti Humanist Foundation, are community-based organizations that aim to empower individuals, especially women, by providing them with a platform for financial and social development. Here are some general terms and conditions for self-help groups willing to work with training with Basanti Humanist Foundation:

1. **Formation and Registration:** SHGs are formed by a group of individuals (usually 10-16 members) who share a common bond. SHGs primarily focus on the inclusion of women from economically weaker sections to improve themselves financially and physically health conscious.

2. **Regular Meetings:** SHGs must conduct regular meetings, often weekly or monthly, to discuss financial matters, savings, and development activities.

3. **Savings and Credit Activities:** SHGs are expected to promote savings among members. A part of these savings is utilized for internal lending within the group for income-generating activities. SHGs may also access credit facilities from banks and financial institutions including us. Proper financial records must be maintained, including savings, loans, and repayments. Transparency and accountability in financial matters are essential.

4. **Training and Capacity Building:** SHG members must undergo training and capacity-building programs to enhance their skills and knowledge related to financial management, livelihood activities, and entrepreneurship.

5. **Social Development Activities:** SHGs often engage in social development activities like health and sanitation awareness, women's empowerment, and education.

5. **Honorarium and duration of work:** You will receive an honorarium every month for taking training from us which is provided on our website. As we are giving you an honorarium during the training period, you also have to work with us for a minimum of one year after learning the job. If you like it, you can then work as long as you like. Since we are giving you a time limit for work, we will arrange work for you throughout the year.
